About GoCo

GoCo's mission is to empower HR pros and automate manual tasks so they can focus on growing happier, healthier, and more productive teams
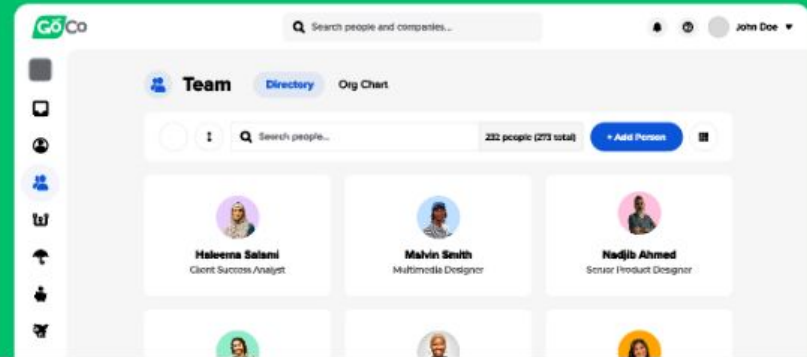

> GoCo has really held our hands through everything. We really see GoCo as our partner, not just a service provider.

★★★★★

Darby D.
Product Operations Manager

> GoCo helped us improve our relationship with our employees because they started to see that we were taking steps to ensure that they were being treated properly, and that they were receiving the attention that they needed.

★★★★★

Erica R.
HR Manager

> Every year [during open enrollment], I would have sleepless nights just trying to get people to finish their paperwork on time. With GoCo, the process is just so much easier.

★★★★★

Robin G.
VP of HR

HAPPIEST CUSTOMERS IN THE INDUSTRY

5 ⭐ Client Success

- Dedicated client success managers
- Fast, hands-on implementation
- Training for admins and employees
- Strategic partners, not just customer support

Panel Question

In today's fast-paced and digital-centric work environment, how have you seen the challenges of employee connectivity and alignment evolve, especially with remote and dispersed teams?

Panel Question

Can you share specific examples of how technology has been instrumental in fostering strong connections among teams in your organization?

Panel Question

How do learning platforms drive performance, productivity, and professional growth?

Panel Question

How can digital tools improve cross-functional cooperation and knowledge sharing throughout departments?

Panel Question

Gamification has gained popularity for motivating employees. Could you share a successful example of how your organization has used gamification to drive employee engagement and achieve specific performance goals?

Panel Question

Implementing new technology in general can be a scary thought for organizations...particularly when it comes to the decision makers & budget. How do you suggest going about the C-Suite conversation regarding why technology can be beneficial for organizations?

Panel Question

When it comes to overcoming any resistance or challenges that comes with technology, how do you get past the pains that come during the implementation phase?

Panel Question

What closing advice would you give to organizations seeking to leverage technology for enhancing employee connectivity and motivation?
